

You can find only 4 chickens. After you talk to everyone and find all four chickens, go back to the village map (if you aren't there yet) and your character will give up and say he have to go talk to his father,so go talk to him.

### **Nina's House:**

Inside Nina's house, during the chickens quest, you can gain some friendship points with her father and grandmother. Having high friendship levels with them will help you gain extra love points with Nina later on. You'll also want to be good friends with Nina's grandmother, she will be useful in the future.

**Nina's Father:** - Huh? No, I didn't see any chicken, sorry Alex! Hey, so what do you think about Nina's boyfriend?

- I don't know him very well... **(Neutral)**
- I don't like him. **(Friendship + 10)**
- He's alright, I guess. **(Friendship - 5)**

**Nina's Grandmother:** - Aren't you that boy who used to play with Nina all the time when you were kids? Why aren't you her boyfriend?

- She's in love with somebody else. **(Neutral)** (You'll hear nana's most bizarre love story though!)
- We don't like each other in that way. **(Friendship - 10)**
- Maybe someday I will! **(Friendship + 10)**

### **Quest 2 - Get Some Water**

Before going to Sam's house, follow the two guys that just passed by you running and talk to one of them.

#### Tips

Marcus loves to peep on people having sex, and will constantly call you to join him as you improve your friendship with him. If that's your thing, you'll want to join him now and watch Amanda and Toby - this will allow you to learn the Stealthiness Trait from him early on. If you choose not to follow him, you should go for the Honor's route - keep your Alignment positive to call Mia's attention and get some scenes with her.

After this scene, go to Sam's house and he will join you. Go to the village's well (right exit).

To fill the bucket with water, open the Item Menu, select the bucket and choose the option "Hold". With the bucket being holded, interact with the well to fill it. After that, go back to your father to finish this quest.

### Quest 3 - Find Sam's Luck Charm

Just go back to the well and watch all the scenes.

#### Forest

Avoid the monsters and advance until you reach the cave in the next map. If you fail 2 times, Nina will take the lead and you will get transported to the second map - if that happens you'll not get the extra 5 Friendship Points with Nina in the Cave Part 2 scene.

#### Scene - Cave

Here you can gain some Friendship points with Nina or, in case you're going for the corrupted route, you can sacrifice some points with Nina and raise your Corruption.

**Nina:** - Aah! Don't look at me!

- You should take off your wet clothes or you will get a cold...
  - Nina:** - What the fuck?! I won't get naked here, you idiot!
  - That's not what I'm saying!
    - Nina:** - Hey, stop looking!
    - Don't be stupid, I'm not trying to see you naked! ([Friendship + 5](#))
    - Sorry, it's just that you're looking so beautiful! (**Neutral**)
  - Well, it WOULD make you feel less cold! ([Friendship - 5](#)) ([Corruption + 5](#))
- I'm going to search some wood out there to make us a fire. ([Friendship + 3](#))

#### Scene - Cave (Part 2 - After Quest Sticks and Stones)

- Take a quick look ([Corruption + 10](#))
- Keep eyes closed ([Honor + 10](#))

**Nina:** - This is so embarrassing... You can't see me like this!

- Don't worry so much, we are friends after all!  
**(She'll let you open your eyes if your Friendship is 55+ (you start with 50 Friendship Points with Nina))**

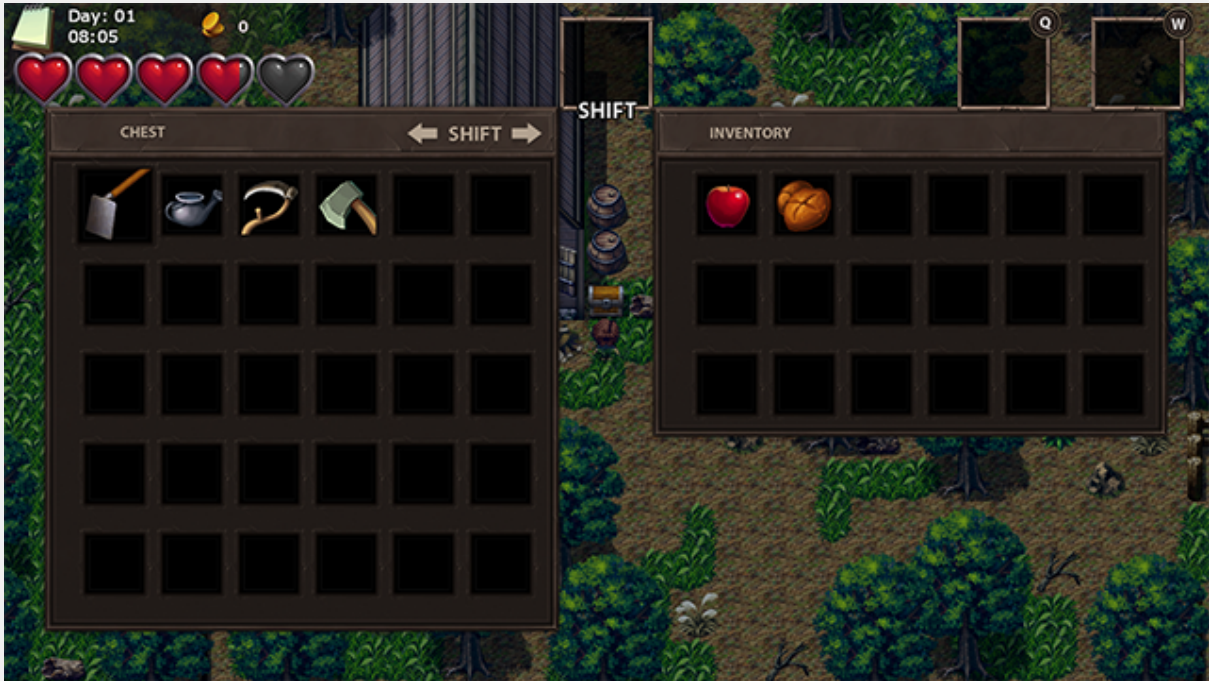

- Well, I'm feeling a bit tired, anyway. (**Nothing Happens**)

If you crossed the forest without Nina's help you will get + 5 Friendship Points.

# Part 1 - Day 1, 8:00 AM

After you watch the scenes with your father you'll be pretty much free to do whatever you want.

## Farming Guide

Grab your initial tools in the chest your father left to you.

You can equip the tools in the items menu.

Some items you can hold instead of equip. Press Shift to use them. Keep in mind that if you are holding a item you won't be able to use your tools.
