

# WTHI Walkthrough

*“The course of true FAP never did run smooth” – William Cockspere*

Folks, My recommendation is to play the game without using this guide as you should be able to learn as you go. And if you get stuck on a particular part (i.e. cannot unlock a particular scene due to failing an attribute check), you should try going back to earlier interactions with the character and choosing different options, rather than jumping straight into this walk-through. I always feel that stepping line-by-line through a walk-through when you're playing a game ruins the immersion, especially in an RPG or character/dialog action/consequence game such as this. Anyway, I'm sure you're sick of my preaching already and I haven't even finished the first paragraph, so for those of you that want a walk-through, here you go.....

**Notes:** There is no “perfect” gameplay route. It is not possible to max out every character's attribute as there will be trade-offs involved throughout the game. And there will be no part of the game that will only be unlocked if you have a Max score. All of the attribute checks will be ranged, e.g., if at a particular point, the Max attribute value is 30, the attribute check would (for example) look for a score of 25 or above to unlock, so don't beat yourself up trying to get every possible correct answer.

However, the scores are cumulative throughout the game, so if you start failing attribute checks early on, you might want to step back and replay, because you'll really be fucked (or not fucked more likely) as the game progresses if you keep missing the correct responses/ choices. So you should go back and consider your choices/consequences more carefully or as a last resort, use this walk-through to help for specific times when you're not sure what the “best” response is. This is just a nice way for me to say... “Try actually reading some of the fucking dialog, rather than smashing the keyboard / mouse excessively to skip to the sexy stuff, you degenerate”. Only kidding, it's your game, so play however you want!

Currently, there are two primary stats / attributes per character. These are:

**Lust:** Lust is relatively straightforward, although it's not only sexual activities that impact Lust, certain other actions can increase/ decrease a character's lust for the MC.

**Relationship:** The second attribute is an amalgamation of Relationship / Affection / Love / Trust, etc. and might mean slightly different things depending on the character.

Each character is different and both of their attributes will react differently to your dialog choices, so you will need to bear this in mind depending on whom you're dealing with, e.g. Monica would not be a fan of crude jokes, especially when sober, whereas in most circumstances, Katie reacts positively to crude jokes. This is just an example, there's plenty of other stuff to learn as you progress and hopefully, you should be able to learn without the need for a walk-through.

And there is some overlap/ grey areas between the two attributes, so don't get your knickers in a twist if a particular response with a character affects their relationship stat in one scene and a similar interaction affects their Lust stat in another scene. There is a method to my madness. However, what you shouldn't see is an action that positively impacts a particular stat in one scene and then a very similar action with the same character negatively impacting that stat, because that wouldn't make sense, unless the circumstances are drastically different (e.g. Drunk Vs sober, loving Vs arguing, etc...), so if you see any examples of that, please let me know.

**Bold: Recommended choice**

**Red: Negative impact to stats.**

# Day 1

MR: Monica relationship. Starting level 10, ML: Monica Lust- Starting level 0

JR: Jenna Relationship – Starting level 10

KR: Katie Relationship – Starting level 10, KL: Katie Lust- Starting level 0

ZR: Zarah Relationship – Starting level 0, ZL: Zarah Lust- Starting level 10

## Monica:

- “Shake her hand” / “**Hug**” (MR+1).
- “Break Hug” / “**Hug her tight**” (MR+1)
- “**Don’t kiss**” (MR -1) / “**Kiss her on cheek**”

If you choose to kiss her cheek, she’ll give you another kiss (see below). If you choose not to kiss her, you’ll get a second chance to change your mind and kiss her:

- (Second chance) “**Kiss her cheek**” / “Say nothing”.

If you refuse both chances to kiss her (Don’t kiss & Say nothing), she won’t kiss you (skips the kiss near lips below).

If you take either chance to kiss her, she gives you a second kiss (close to lips) which gives you the option:

- “**Hold the kiss longer**” (ML+1) / “Stop Kiss”
- “Agree she has aged” / “**Doesn’t look old**” (MR +1)
- “**Check her out again**” (ML +1) / “Don’t stare”

- “Fish for another compliment” / “**Compliment her**” (ML +1)
- “No thanks” / “Too early for wine” - No stat impact for either choice

For the next couple of choices on the stairs, there are no stat changes, but there are two instant **Game Over** options to avoid. These are:

- “**Touch her ass**” (Game Over) / “**Are we talking about the same thing?**”
- “**No. Your ass**” (Game Over) / “**Of Course**”

Then you have a choice to get closer. Choosing this once is ok (and gets you a better view, but choosing to get closer again will result in a **Game Over**.

- “**Get Closer**” (Gives a better view) / “Keep your distance”

If you choose to get closer above, you get a choice to get closer again, but choosing get closer a second time results in **Game Over**.

- “**Get Closer**” (Game Over) / “**Don’t get any closer**”

## Jenna:

- “**Agree with Monica (JR -1)**” / “**Agree with Jenna**”

Note: Jenna can overhear you from her room and is disappointed if you agree with Monica.

When she is taking off her shorts, do not choose **“Ask to Help” (Causes a Game Over)**

And after she puts on her bikini, when you get the message (This is risky... She could catch me... Monica should be looking for me now...), choose the **“Walk away”** option. Do not choose **“Keep going” (Causes a Game Over).**

**Jenna:**

Jenna bedroom scene:

**You survived Day 1!**

## End of Day 1 (Episode 1& 2) Summary

Possible Maximum Values of each attribute at end of Day 1:

MR: 19*	ML: 16*	JR: 20	JL: 4	KR: 15	KL: 7
ZR:4	ZL: 19				

**\*Day 1 Note:** It is not possible to max out on both of Monica’s stats. There’s a trade-off depending on whether or not you ask her to take out your cock (or if you take it out yourself). If you get her to take it out, you’ll get an extra Lust point, but at the expense of a relationship point. (Touching your cock increases her Lust, but when she reflects on it later, she wonders why you made her take it out and this costs you the relationship point). So, the Max possible for Monica at the end of day 1 is MR=18, ML=16 OR MR=19, ML=15.

# Episode 3 Day 2 Part 1

- **“I'd love to suck your tits.” (KR -1) / x`**
- “Don't distract her (KR +1)” / **“Distract her.”**

If you choose not to distract her, you will get a relationship point, but this will end the gym scene without any spanking options. The best option is to choose to distract her, which will open up more options below (as long as you have enough attribute points)

- “No. Of course not (KR +1)” / **“Yes, I am going to spank you”**

If you choose not to spank her, you will get a relationship point, but this will end the gym scene without any spanking options. The best option is to choose to spank her, which will open up more options below (as long as you have enough attribute points)

If you choose to spank her, then there is an attribute check. If your relationship points with Katie  $\geq$  14, then she will let you spank her (max attribute points possible at this stage in the game is 18).

Otherwise, she refuses to let you spank her and the gym scene will end.

If she allows you to spank, you will get the options below:

- “Don't be stupid/ **“You do have a nice ass” (KL +1)**
- “Pants stay on / **“Tell her to pull pants down” (KL+1)\***

\*If you tell her to take her pants down, then there is an attribute check. If your Lust points with Katie  $\geq$  7, then she will pull her pants down (max attribute points possible at this stage in the game is 9). If not, then she will let you spank her with her pants up.

If you pass this attribute check and you spank her bare ass, you get the increase in Lust :

- **“Pause to admire ass” (KL +1) / “Get on with it.”**
- **“Hard Spank” (KL +1) / “Spank”**
- **“Painful Spank (KR -1) / “Spank”**

After the gym, when you are back in your room, you should choose to read your texts / emails. No attribute impact and you can delete without reading if you want, but reading them will give you some extra insight into the plot.

For the next four questions about your type, here's the answers you should pick (as they describe Jenna and Jolina)
- **Pale, Big boobs, Curvy butts, Tech**  
If you choose all 4 “correct” answers above, you get **(JL +2)**  
If you choose 3 “correct” answers above, you get **(JL +1)**

With 3 or 4 correct answers, you get another conversation choice when Jenna asks who you've described:

- **“You” (JL +1) / “The waitress.”**
- **“I'm happy to be here with you” (JR +1) / “I just don't want to.”**
- **“You in a bikini” / “The Wifi.”.** No stat impact, but choosing “bikini” option gives you the option below:
- **“OK” / “But not done thinking about it.” (JL+1)**

**Jenna & Jolina:**

Coffee Shop scene:

- **“No. This is unacceptable (JR -1) & (JoR-1) / “No Problem”**
- **“Yes I'm her boyfriend” / “No, I'm not her boyfriend.” / “None of your business”**

The choice above doesn't give any stat changes, but saying you are Jenna's boyfriend will open up further conversations later.

- "None of your business" / **"Tell him to Fuck OFF"**. Either choice has no impact to stats.

### Katie & Lily & Debbie:

Katie friend's intro scene:

- "OK. That's good." / **"No. You're not. What's up? (KR +1)**

## End of Episode 3 Summary

Possible Maximum Values of each attribute at end of Episode 3:

MR : 23	ML: 28	JR: 25	JL: 10	KR: 21*	KL: 14
ZR: 4	ZL: 21	JoR: 1	JoL: 10	DR: 1	LR: 1

**\*Episode 3 Note:** It is not possible to max out on both of Katie's attributes. If you let her win (don't distract) or choose not to spank her, you can max out on her relationship points (but at the expense of up to 4 Lust points). But if you do spank, you miss out on a relationship point, but can hit the max on Lust points.

Hint: choose Spank 4 Lust points is better than 1 Relationship point.

# Episode 4 (Day 2 Part 2)

LL: Lily Lust- Starting level 0     DL: Debbie Lust- Starting level 0

## Katie:

Bedroom scene:

- “Maybe a little pressured” / **“Not at all. I want to help (KR +1)”**

No MC choices in the next piece of dialog, but lots of different responses from Katie depending on how the gym / spank scene went earlier that day.

- **“I like it too.” (KR +1)** / “Well I don't! Get Off!”
- “OK. Get off me now!” / **“Another kiss? (KL +1)”**

Choosing “Another kiss?” opens up the following dialog options.

- **“Hands on ass.” (KL +1)\*\*** / “Hands on waist.”

\*If you choose “Hands on ass”, there will be a variable check. If her relationship is high enough (she trusts you), she will allow you to put your hands on ass. Need to have KR >=17 (out of a possible max of 23). If she allows it you will get the Lust increase.

Katie’s dialog responses will differ depending on what choice you make about and if you touch her ass, she will also mention the spanking outcome from earlier (depending on that outcome).

- “Squeeze her sides” / **“Squeeze her ass” (KL +1)**

If you squeeze her ass, Katie’s dialog response will differ depending on whether you touched her ass earlier and will also reference the spanking outcome from this morning.

- “Don’t kiss her” / **“Kiss Her” (KL +1)**
- “Stop kissing” / **“Kiss her neck” (KL +1)**
- **“One More Kiss” \*\*** / “No more kisses”

\*\*If you choose “One more Kiss”, there will be a variable check. If her Lust is high enough, she will give you another kiss. Need to have KL >=15 (out of a possible max of 19). If she allows it you will get the option below:

- “Quick Peck” / **“Long Kiss” (KL +1)**
- “Not a clue” / **“Of course I remember”**

No stat increase for saying you remember, but it opens up the option below

- You get a number of name options. Choose either the correct answer **“Debbie & Lily”** or the joke answer **“Milli Vanilli”** to get a stat increase of **KR+1**. No stat increase for any of the other guesses.
- When asked which one of them do you think is cute, choose **“both”** to maximise your stat increases. Katie tells the girls your answer, so whichever one of them you say you think is cute (or both of them), gives you a Lust stat increase for the relevant girl **DL+1, LL+1**.  
Katie doesn’t mind if you like her friends, so there is no negative impact to Katie’s stats if you say you like them.

## Debbie & Lily:

Kitchen scene:

- “Yes. It was dumb” / **“No. It was cute” (DR +1) (LR+1)**
- **“Play along with her” (DR +1)** / “Tell her this is dumb”
- “Yes. I mind” / **“No. I don’t mind.” (DR +1)**
- **“Pity. You’re my type” (DL +1)** / “You’re not my type either.”

Saying she is you’re type causes Debbie to mention this is a later scene (later that day in the living room) and this will increase Katie’s lust.

- "Touch her boob." / "Lick her boob." / **"Tell her to put it away" (DL +1)**

- **"Of Course I do" (DR +1) / "I just don't like sluts" (DL-1) (DR-1)**

If you call her a slut, the scene finishes.

- **"Yes. I'm bored with this." (DR-1) / "No. Keep going if you want." (DL +1)**

If you say you are bored, the scene finishes.

- **"Push her off and stand up" / "Pull her towards you" (DL +1)**

If you push her off, the scene finishes.

- **"Kiss Her" (DL +1) / "Push her off" / "How about a Blow Job?" (DL-1) (DR-1)**
- **"Stop kissing" (DL +1) / "Move hand onto her boob"**

### Phone Call with Elaine:

No stat impacts from this phone conversation.

### Zarah:

Day 2 Bedroom scene:

- **"Get the fuck out" / "Come in and shut the door (ZR+1)"**

If you chose "Get the fuck out, you get a chance to change your mind below:

- **"OK, come in and shut the door" / "I said Get the Fuck out of here! (ZR-1)**

If you choose "get the fuck out" a second time above, then the scene ends. If you choose the "come in..." option, the below choices are available.

- **"Just get the fuck out" (ZR-1) / "Tell Her"**

Again, choosing the "get the fuck out..." option above ends the scene

- **"I don't want to talk about it." / "She didn't freak out. (ZR+1)"**

- **"Yes" (ZR+1) / "Mind your own business."**

- **"What do you care?" / "I'm alright (ZR+1)"**

- **"Yea. You look hot" (ZL+1) / "Decent, but you're still old."**

- **"Just Go. You caused a lot of this/"Just Talk" (ZR+1) / "Help me relieve some stress?" (ZL+2)\***

If you choose "Just Go...", then the scene ends. "Just talk ..." gives the option below (including another chance to choose the relieve some stress option) "Help me relieve some stress skips over the choice below, straight to the "relieve stress" scene, so you don't get the ZR+1 increase.

If you choose the "Just Talk" Option above .....

- **"Get the fuck out" (ZL-1) / "No. let's just talk" (ZR+1) / "Help me relieve some stress?" (ZL+2)**  
"Get the fuck out..." Ends the scene. "Just talk ..." also ends the scene (but you get the stat increase)

If you Choose either of the "relieve stress" options above...

- **"Yes I do" / "Shut up and grab my cock".** No stat increase, just for fun.
- **"No promises" (ZL+1) / "OK, I promise."**

Once you choose the Ready to Cum option, there is an attribute check. If Zarah's Lust is <= 20 (maximum possible at this stage is 25), then she finishes you off without any other choices. If you pass the Lust check (Lust > 20), she asks you do you want her to finish you off with her Hand or Mouth .....

- **"Hand" / "Mouth"** – Choosing "hand" gives you a handjob finish (similar to if you did not pass the Lust check above). Choosing "Mouth" gives the following options:

Saying you like Katie's friends increase her Lust for you, as it makes her think of you more as a "red-blooded male", so showing interest in them makes Katie more interested in you.

If, earlier (in the kitchen), you told Debbie she was your type, Debbie mentions it during this scene. And this increase Katie's lust for you. (KL+1) and you get the following option:

If you choose the "Let me do it" option, there is a Relationship attribute check. If Monica's Relationship attribute is 21 or higher (out of a maximum possible of 23), you pass the attribute check.

If you fail both checks or you ask her to open them herself, you'll skip down past the next few "stocking removal" options. If you pass the check(s), you'll get a Lust increase (ML+1) and the following option....

## **End of Episode 4 Summary**

**Possible Minimum / Maximum Values of each attribute at end of Episode 3:**

MR: 23	ML: 37	JR: 30	JL: 16	KR: 24	KL: 22
ZR: 11*	ZL: 26*	JoR: 1	JoL: 10	DR: 6	DL: 8
LR: 3	LL: 2				

**\*Episode 4 Note: It is not possible to max out on both of Zarah's attributes. If you choose "Just Talk" the second time, you gain an extra Relationship point, but at the expense of up to 4 Lust points (by skipping the relieve stress / BJ/ HJ option). Best option is to choose "Just talk" (ZR+1) the first time and then "Relieve stress"... . This will cost you 1 relationship point but allows you to max out the Lust points. (1 Relationship point lost versus a potential of 4 Lust points lost.)**

**If you choose the deep-throat option (Cum in mouth & grab head), you can gain a Lust point, but at the expense of a Relationship point (This action is ZL+1, ZR-1). Your choice... (I chose deep-throat). Although Zarah says she doesn't like it and will be pissed at you, secretly it turns her on....**
